Do you want to see your community changed? Then we need to call out to Jesus.

Any change we hope to see in this world starts with prayer, through the power of the Holy Spirit. Read more for why it matters to gather together, ask God to send his Spirit, fill our churches with prayer, and look for his presence among us

ACKNOWLEDGMENT OF COUNTRY:

We acknowledge and pay respect to the Turrbal and Jagera Peoples, the Traditional Custodians of the land on which we gather today. We acknowledge their continued spiritual connection to country and surrounding land, sky and water. We pay our respect to their Elders, past present and emerging and pray that we may continue to learn from and nurture one another in the spirit of Reconciliation.
